**Treasurer's Report** – Vickie Spevack says we are upside down with our budget because of the new budget. Discussed budget items – spending more on coaches, golf revenue thought to be high estimate; suggested to reduce the senior gift – too high; Suns game not yet approved. Concerns about revenue line for Ranger Invitational – too high; reduced to \$6000 (worried about interest in the event; transportation costs for bands; who will be the guest to offer critiques for the bands – has been Jay Rees which is a big draw. Budget tabled until we can balance. All need to check expenses and tighten up where possible.

**Fundraising Status Report** – Theresa Riel

BBQ – Carl Maass has had 2 refrigerators donated by Tucson Appliance to help Out with keeping the food cold; Compass Bank has committed \$500 (possibly \$1000).
